LETTER OF REFERENCE

To Whom It May Concern

It is with great pleasure that I write this letter of reference for Mr. Shamsuzzoha, a dedicated and accomplished faculty member of the Department of Economics at our institution, [Rajshahi Government Women's College], where he has been serving with distinction for the past 3 years and 5 months. He has a total of 26 years of teaching experience, including the mentioned period at this college.

Mr. Shamsuzzoha has always shown remarkable enthusiasm for professional development and innovation in teaching. His commitment to integrating technology into education, particularly in exploring the implications of Artificial Intelligence (AI) in economics and education, is truly commendable. His participation in the upcoming AI Convergence & Application in Korea aligns perfectly with his academic pursuits and vision for future-ready education.

I firmly believe that this training will not only enhance his own understanding and skills in the field of AI but also benefit our institution as he continues to share his knowledge and implement new strategies in his teaching and research. Mr. Shamsuzzoha is a fast learner, an analytical thinker, and a highly respected member of our academic community.

I highly recommend him for this training opportunity and am confident that he will represent our college with honour and professionalism.

Please feel free to contact me at [rgwcollegerajshahi@gmail.com] or [+880 1817-386277] should you require any further information.

Sincerely

17.05.2025
